CMD

Narender Arora

We are delighted to announce that Arora Polyfab India Pvt Ltd has reached new milestones in the synthetic leather manufacturing industry. Innovation has always been at the core of our values, and I am pleased to share that our Research and Development team has made significant breakthroughs, paving the way for the development of even more sustainable and eco-friendly synthetic leather products. Moreover, I would like to express my sincere appreciation to our valued stake holders and partners. Your trust in us has been instrumental in driving growth and success. Thank you for your extraordinary efforts and unwavering commitment to Arora Polyfab India pvt ltd.

COMPANY HISTORY

Our Humble Beginnings

We started our journey with our first unit in Delhi under the name of Arora Cotton Coated Fabrics Pvt. Ltd., which produces high-quality Artificial Leather, Synthetic Leather, PVC leather cloth, and PU coated leather. We Manufacture, export, and Supply our products domestically. Our products are used for making Footwear, Accessories, upholstery, sports equipment, and apparel. We are producing satisfactory products and exporting them successfully worldwide.

A Well Known Company

We installed our 2nd unit in Bahadurgarh under Arora Vinyl Private Limited. We created a benchmark in the Artificial Leather industry with our wide range of products & happy clients.

Making Bond Stronger

We evolved parallels with our clients. Our impressive working model built trust in the market, making customers believe in us.

Our Joint ventures:-

Under The Umbrella of Arora Group, we increased Our Production Capacity through our Joint ventures, Arora Vinyl, A.C. Polycoaters, and A.V. Unicoaters.

ARORA JOURNEY

Expanding ourselves

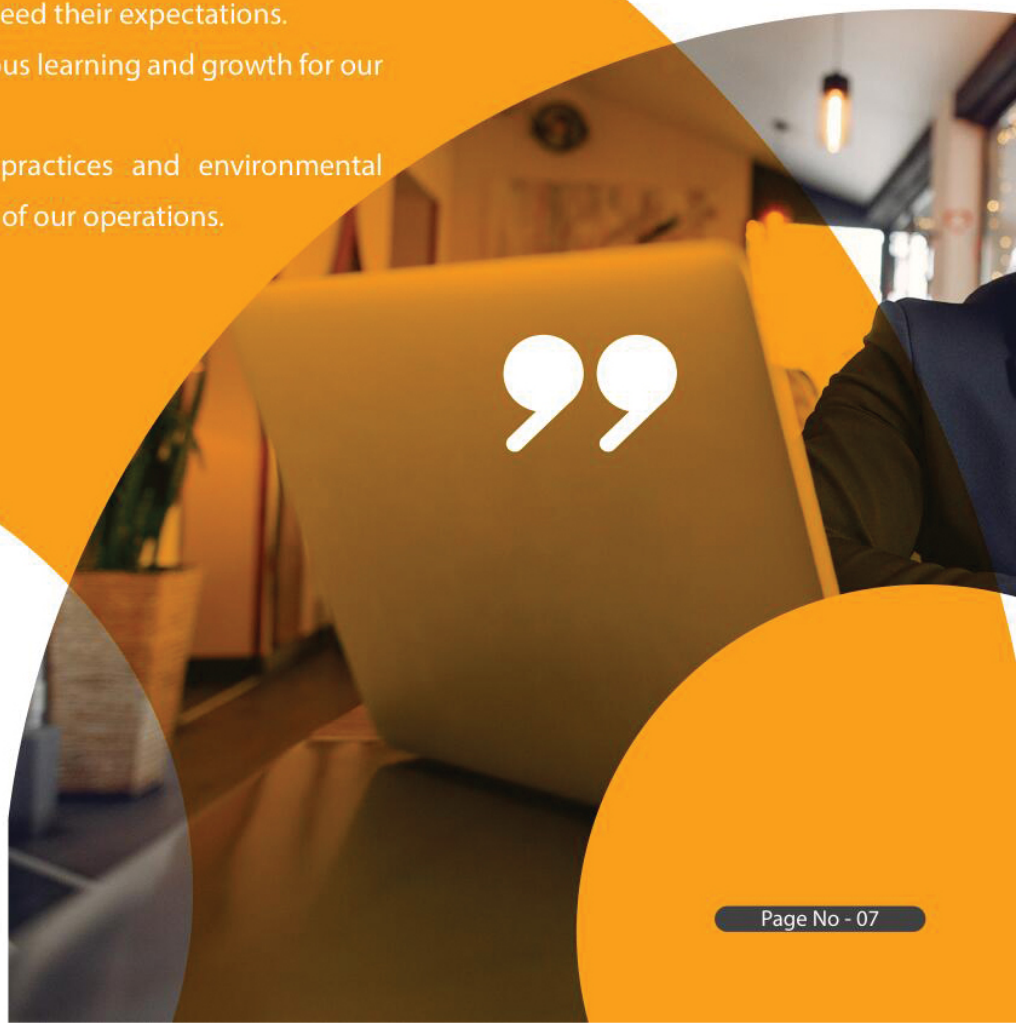

We made a new beginning with the name of Arora Polyfab. Years of experience took us to this level, with awards and achievements for initiating the creation of a green world. We increased our experience and network worldwide and created a unique technique that emits a less carbon footprint during leather production. Having worked in the industry for the last 17 years has earned us a very strong team of excellent professionals with immense knowledge in our respective domains.

MISSION
